HOMECOMING 2015

OCTOBER 15-18 • NEW MEXICO STATE

ΣNETT – THE 45TH ANNIVERSARY OF THETA KAPPA CHAPTER – ΣNETT

The date is set, so Save the Date! The 2015 Homecoming date is October 17th, so the weekend is October 15-18, 2015. We will celebrate the 45th Anniversary of our Chapter and start the countdown to our 50th in 2020 and 1,000 Theta Kappa initiates. **Come join us for 1, 2, 3, 4 days or more!** More information and details to follow, but you can always see the latest at www.SigmaNuGSU.com/homecoming and on Facebook. **** This event is family friendly! ****

Help with Recruitment!

Everyone always asks “how can I help?” and there is one simple way and it is free! Refer good young men to our chapter. We received 3 referrals from alumni last week. 40% of our Fall Candidate Class was referrals. It could be a neighbor, the young man who sits behind your family in church, friends of your children, a co-workers child or friend, or you could go to an extreme and have your daughter go through her senior class yearbook (or repeat with the junior class this summer) to develop a list of all the college bound young men. We all know someone and that someone would likely benefit from an introduction. It is a little scary to walk through a fraternity house doors for the first time – it is much easier if you know someone or they have already spoken to you.

Here are some thoughts:

- Sigma Nu is a great fraternity – Theta Kappa is a great chapter!
- We have chapters at UGA, Ga Tech, Ga State, Southern Tech, West GA, Columbus State, Valdosta, Mercer, Ole Miss, Clemson, USC, etc.
- We have great programming, like LEAD, and much more.
- You can make a REC, regardless of the school they are attending, and we will make sure it gets to the right person and handled.
- For more: www.sigmanugsu.com/become-a-sigma-nu
- Visit: www.sigmanugsu.com/our-recruitment-officer
- Zach Byrne, our Recruitment Officer, was a REC himself, so he knows the importance, the value, and what to do with it!

We have upcoming regional events, a ΣN National Recruitment Day at the Capital City Club in Atlanta for UGA, Ga Tech, & Georgia Southern, and several low key events. The chapter's goal is to lock in the Fall Class before Rush starts then hand pick the remaining few. **You can help!**

The mental health statistics for college students in the U.S. are staggering. A study by the Archives of General Psychiatry found that 75% of chronic mental illness begins by age 24. Young adults have unusually high rates of diagnosable mental illness, and even more troubling, they are the demographic least likely to seek professional help.

In 2007 these statistics became all too real for our chapter at Duke University. The latest [issue](#) of *The Delta* tells the story of how our brothers at Gamma Chapter bonded in their grief and eventually founded a program that encourages students to be more comfortable seeking help with mental health problems.

We want to thank the brothers of Gamma Chapter, along with the Sanders family, for their willingness to share this difficult story. Our hope is that this story will spread awareness about mental health issues, with the ultimate goal of preventing future tragedies.

Click [here](#) to access our cover story along with the full issue.

As always, we want to thank you for reading and [sharing](#) inspiring stories for us to tell in *The Delta*. We're always eager to know what our fellow brothers are thinking and welcome your feedback at any time.

Yours in Sigma Nu,

Nathaniel Clarkson (James Madison)

Interview

Alumnus of the Biennium and Chapter Advisor of the Year Bill Geddy (Georgia Southern) shares the secrets to an effective Alumni Advisory Board.

The Delta of Sigma Nu Fraternity Spring 2015

If you are not receiving the Delta in the mail then one of several things may have happened: 1) Your mailing address may have changed, expired or there was a hiccup at the Post Office saying your address was incorrect (this happens a lot); or 2) You did not elect to receive a hard copy when that request was published. In any case if you are not receiving it in the mail and you would like to, then click here: http://www.sigmanu.org/publications/i_want_my_delta.php.

5 QUESTIONS

with Alumnus Bill Geddy (Georgia Southern)

Alumnus William B. "Bill" Geddy has held a variety of roles within Sigma Nu. Currently serving as a Division Commander and the Chairman of the Theta Kappa Alumni Advisory Board, he has also served as a member of the Theta Kappa House Corporation. Brother Geddy was named Sigma Nu's Alumnus of the Biennium and Chapter Advisor of the Year at the 66th Grand Chapter in Nashville, Tenn.

1 How have you structured Theta Kappa's AAB?

There are 15 people on Theta Kappa's AAB. As chairman, I'm a facilitator and coordinator for the group. We have advisors for every major office and those that request one. While I helped structure this, we are truly a team of advisors and I give credit to my peers who actively contribute and hold each other accountable — I am just at the helm right now. The chapter is engaged as well — we are always looking for ways to improve our engagement model. In January 2014, we added the outgoing Commander as he graduated.

Finding advisors for the board is like recruitment; and, recruitment is 365 days of the year, you've got to go out and find people.

2 Any best practices with your work from Theta Kappa?

We have regular conference calls in addition to our face-to-face meetings. We also took a page out of Mu Chapter's (Georgia) success and started a call with the new candidate's parents and laid out our entire program on the phone. In that call we tell them what they can expect and also what we won't do. It has built strong relations and communications with the parents.

We've also instituted a policy that alumni volunteers have to sign an alumni code of conduct. It's basically the same code of conduct that the chapter officers sign, minus a few items that are specific to students. It adds to the importance of the advisor and helps set the right example.

3 What would you say to a collegiate member who doesn't take advantage of all that Sigma Nu has to offer?

Becoming engaged, stretching yourself and your skills, and becoming an officer — then participating in regional convocations, school opportunities, and Grand Chapter is a great opportunity. One of my peer Division Commanders in Atlanta, Jason Dooley, has volunteered as an alumnus and attended every Grand Chapter since he graduated. There are many dedicated alumni volunteers out there. Unfortunately, not everybody takes advantage of this and some people come to our collegiate chapters for the wrong reasons and others never think outside their own chapter.

Not every chapter member is going to get this right away and you can't lose sleep over the minority that don't figure it out. Some of these guys are just

going to take a longer time to develop.

4 What are some trends that you see from the successful chapters you have worked with?

I'm seeing a growing trend of the leaders from strong chapters that include their leadership positions on their LinkedIn profiles. I've connected with a lot of undergraduate brothers and I see that they list Commander, Social Chairman, or whatever their officer position happens to be. I think it is a great way for young leaders to advertise what they are doing and also connect with others. Any employer is looking for key attributes that differentiate you from the pack and increase the odds of a successful hire.

5 What's your advice for working with chapters that can be difficult?

No advisor can be there 24/7, and that's not their role. We are not there to be policemen, rather it is to provide good, common sense advice and mentoring. When issues are encountered, confront them.

We want Sigma Nu leaders to make good decisions, sometimes that means they are hard and may not be popular, but they are right — we support leaders who make good decisions. But no one is perfect — leaders make mistakes — advisors are there to help developing leaders not make the same mistakes others made.

The goal of a chapter or alumni leader is to have the right programs and structures in place so even the brothers that join for questionable motives have an environment where they too can grow, develop, and flourish. ✱

Sigma Nu Fraternity

Oath of Office

“I promise upon my honor as a knight and a gentleman, to conform to and abide by THE LAW of SIGMA NU FRATERNITY, orders of the Grand Chapter, the High Council, Executive Director, and the Division Commander of this Division, and the Rules of this Chapter, and to faithfully perform all the duties of the office to which I have been chosen.”

The Theta Kappa Chapter's Third Annual Commanders' Dinner

Purpose: To meet annually upon the election of the newest commander at Theta Kappa to welcome the new commander, convey the wisdom of our experience, our passion for leadership, our willingness to support and mentor him, the need to protect the brand and name of Theta Kappa and Sigma Nu, and the need to make the right yet sometimes very hard and very unpopular decisions for the good of the chapter and fraternity.

Objective: To grow a nucleus of members and servant leaders to the chapter and fraternity that will assist in advising and leading the officers of the Chapter, the Theta Kappa collegiate & alumni chapters, the Theta Kappa House Corporation, and the Theta Kappa Alumni Advisory Board for years to come.

Points of reflections to pass onto our newest Eminent Commander:

1. Reflect on the challenges and forward movement of the chapter while you lead Theta Kappa to provide insight and perspective on making the right decision and the positive outcome it lead to.
2. What positive traditions did you have or follow as a chapter?
3. Reflect on another collegiate brother who supported and assisted you in your role as commander to propel the positive direction of the chapter.
4. Reflect on an alumnus or advisor who supported and assisted you in your role as commander to propel the positive direction of the chapter.
5. Reflect on the experience and impact that being commander made on your fraternal experience, your family, your career and your life.
6. Reflect on your willingness to mentor and shape our newest leader to avoid past mistakes many of us made, develop a positive leadership ethic, and to sustain the future of the collegiate chapter and our alumni.
7. Share at the dinner and in one-on-one conversations – work with our new commander to positively lead & build a sustainable future for our chapter.

Some considerations for future events:

1. We believe that the MLK Weekend is a good weekend to have this.
2. Should we consider another night of the week? Another venue? Is the price too steep? Another location city? Speaker? Homework? How do we increase the value to the group and honoree? How do we sustain as a tradition?

An Evening with Archie Manning

March 24, 2015 at 7:00 PM
Hanner Fieldhouse
Georgia Southern University

Sponsored by: Student Leadership and Civic Engagement and the Office of the Vice President of Student Affairs & Enrollment Management of Georgia Southern University.

Sigma Nu alumnus Archie Manning (EE 746, Ole Miss) came to Georgia Southern University on Tue., Mar. 24th at 7:00 pm. He is part of the 2014-15 Speaker Series hosted by the Vice President of Student Affairs. In addition to being a Sigma Nu alumnus, Archie is also a member of the Sigma Nu Hall of Fame – he was inducted in 1998.

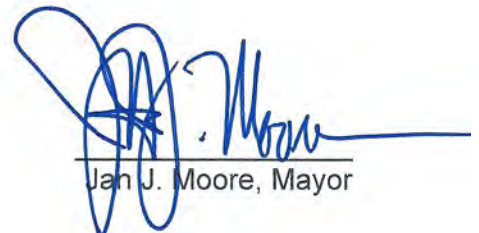

Our Commander, Adam Clay (OK 810), was selected to have dinner with him along with 3 other GSU students. Thinking ahead, Adam and the Chapter, arranged with the HQs and Sigma Nu Educational Foundation (SNEF) in Lexington to send a 45 year alumni pin (Archie was initiated at Ole' Miss the same year we were colonized in 1968) to GSU, which Adam presented to him in front of the cameras – it will be in the Summer Delta and is already on the Sigma Nu Fraternity Facebook page.

Thank you Brother Manning for your motivational and life leadership comments, plus taking the time to receive our appreciation for everything you have done as a Sigma Nu. You are welcome at GSU anytime you wish to return.

LEAD – Looking for facilitators • Consider volunteering!

Sigma Nu's groundbreaking LEAD Program replaces the "pledge (candidate) program" and provides for the ongoing development of our members. LEAD stands for Leadership, Ethics, Achievement, & Development and it is the cornerstone of our go-forward member development strategy, but to be truly successful and meaningful to our members we need alumni and outside facilitators! *We need YOUR help here!* Many alumni have already volunteered, but we need more and it is an ongoing need – please consider and discuss this opportunity with us!

The LEAD program has prepared facilitator manuals, handouts, audio/visual materials, a web interface, on-line exams/quizzes, and handbooks. For volunteer facilitators there is a website and on-line materials to help you prepare. LEAD Phase 1 is designed for the candidate period, LEAD Phases 2-4 are for follow-on years in school – all designed to prepare members to be better brothers, leaders, citizens, and for the world of work.

For more information on LEAD please visit the chapter website (www.sigmanugsu.com), Sigma Nu's LEAD site at <http://www.sigmanu.org/leadership/lead/> or www.sigmanu.org. AAB – Advisors – Mentors • Looking for Volunteers!

In 2008, the Theta Kappa Chapter implemented the **Alumni Advisory Board** concept for advisement of chapters, which is a strategic imperative for Sigma Nu and the go-forward strategy. This is a departure from the traditional single "chapter advisor" role – in fact all of the board members serve as a "chapter advisor" of their area. The concept reduces the time required on an individual advisor and allows the advisor to focus on an area of their greatest interest, but it also enhances the impact of the advisement to the chapter by specializing.

Another method of assisting the young men of the chapter is through mentoring. The Chapter has established the **Alumni Mentor** program, also known as the Alumni Big Brother program, based on a highly successful program at the Mu (UGA) Chapter. The concept is to match alumni brothers with collegiate brothers and candidates with similar majors, industries/careers of interest, and geography (when possible) to provide a richer advisement to the young men in their career and life interests. The additional benefit is to further connect collegiate and alumni members together to strengthen the long-term chapter ties. Mentoring can take shape in many ways including email and telephone calls, but it does require a level of commitment and consistency to be effective.

LEAD – Looking for facilitators • Consider volunteering!

Sigma Nu's groundbreaking LEAD Program replaces the "pledge (candidate) program" and provides for the on-going development of our members. LEAD stands for Leadership, Ethics, Achievement, & Development and it is the cornerstone of our go-forward member development strategy, but to be truly successful and meaningful to our members we need alumni and outside facilitators! ***We need YOUR help here!*** Many alumni have already volunteered, but we need more and it is an ongoing need – please consider and discuss this opportunity with us!
