On Saturday, February 18th, the Chapter Council and Alumni Advisory Board will hold a joint meeting at Georgia Tech in Atlanta. This meeting is being held in Atlanta as Sigma Nu Fraternity is holding its regional Sigma Nu Institute at Georgia Tech (12:30–6:00 pm) for key officers of chapters in the Southeast. You are welcome to join the morning meeting, the alumni breakout during the Sigma Nu Institute that afternoon, or both. We will be having lunch at the Varsity in between. This a great opportunity to find out more about volunteering with your chapter or Sigma Nu – or to just catch up with your chapter or some of the advisors. We welcome your participation! **Consider attending!**
