Dear Brother,

Recruitment of the next generation of Sigma Nu Brothers is well underway as chapters across the country begin a new school year. We need your help in identifying those young men who would make great additions to the ranks of The Legion of Honor. Won't you take a few minutes to pass along your recommendations? We are especially interested in knowing of any legacies you may care to recommend.

You can do so at this convenient link: becomeasigmanu.org/membership-referral.

On a related front, during the 2013-2014 academic year, Sigma Nu will recolonize our chapter at the University of Wyoming and colonize a new chapter at Kennesaw State University (in Kennesaw, Georgia). If you know of any qualified men attending

either of these institutions, please take a moment to submit a referral at the link above. We also welcome referrals to any faculty, staff or female students on these campuses who may be interested in assisting us in recruiting high-caliber men.

With your help, we look forward to continuing to strengthen The Legion of Honor this coming academic year. Thank you for your assistance with this effort and your continuing support of Sigma Nu Fraternity.

Fraternally,

Adam S. Bremmeyer
