LEAD – Looking for facilitators • Consider volunteering!

Sigma Nu's groundbreaking LEAD Program replaces the "pledge (candidate) program" and provides for the ongoing development of our members. LEAD stands for Leadership, Ethics, Achievement, & Development and it is the cornerstone of our go-forward member development strategy, but to be truly successful and meaningful to our members we need alumni and outside facilitators! *We need YOUR help here!* Many alumni have already volunteered, but we need more and it is an ongoing need – please consider and discuss this opportunity with us!

The LEAD program has prepared facilitator manuals, handouts, audio/visual materials, a web interface, on-line exams/quizzes, and handbooks. For volunteer facilitators there is a website and on-line materials to help you prepare. LEAD Phase 1 is designed for the candidate period, LEAD Phases 2-4 are for follow-on years in school – all designed to prepare members to be better brothers, leaders, citizens, and for the world of work.

For more information on LEAD please visit the chapter website (www.sigmanugsu.com), Sigma Nu's LEAD site at <http://www.sigmanu.org/leadership/lead/> or www.sigmanu.org. If you are interested in learning more or possibly facilitating, please fax this to 404-478-8887, email us at alumni@sigmanugsu.com, or sign-up on our website at: <http://sigmanugsu.celect.org/facilitate-lead-sessions> and our advisors will be notified to contact you.

AAB – Advisors – Mentors • Looking for Volunteers!

In 2008, the Theta Kappa Chapter implemented the **Alumni Advisory Board** concept for advisement of chapters, which is a strategic imperative for Sigma Nu and the go-forward strategy. This is a departure from the traditional single "chapter advisor" role – in fact all of the board members serve as a "chapter advisor" of their area. The concept reduces the time required on an individual advisor and allows the advisor to focus on an area of their greatest interest, but it also enhances the impact of the advisement to the chapter by specializing.

Another method of assisting the young men of the chapter is through mentoring. The Chapter has established the **Alumni Mentor** program, also known as the Alumni Big Brother program, based on a highly successful program at the Mu (UGA) Chapter. The concept is to match alumni brothers with collegiate brothers and candidates with similar majors, industries/careers of interest, and geography (when possible) to provide a richer advisement to the young men in their career and life interests. The additional benefit is to further connect collegiate and alumni members together to strengthen the long-term chapter ties. Mentoring can take shape in many ways including email and telephone calls, but it does require a level of commitment and consistency to be effective.

For more information, please visit:

- Alumni Advisory Board: <http://sigmanugsu.com/alumni-advisors>
- Alumni Mentor Program: <http://sigmanugsu.com/alumni-mentor>
- There are sign-up forms you can link to on our website and these pages for these volunteer programs.

“Back to the New Basics”

The chapter improves operations and leadership

Parents’ Call

Starting with Fall Semester, the chapter began to meet with parents of the candidate class in an introductory conference call right after rush. The purpose is to introduce leaders and advisors, open lines of communications, set expectations, and make commitments.

This practice has been well received and will continue into the future. See the attached “packet” that is sent to parents.

Greek Awards/Recognition

The chapter was recognized for achievement in a number of areas this year. In the Parents’ Packet there is a listing of those awards which we proudly received. We strive to attain the ΣΝ goal of “*Excelling through Honor.*”

New Candidate Program

The chapter re-energized the Theta Kappa candidate program by creating a “positive points model and scoring system” to measure the progress of the candidates. It has also institutionalized LEAD Phase 1 with alumni facilitators. Most recently the chapter manual they developed for this program was added to the Sigma Nu “Best Practices” library.

LEAD Phase 2-4 & Risk

The chapter placed the LEAD Officer and the Sentinel (Risk) on the “Chapter Council” to demonstrate the importance of these roles to the chapter and the future of our fraternity. It followed it up with on-going education around risk management and liability plus the full implementation of the LEAD program.

The Theta Kappa Second Annual Commanders' Dinner

Purpose: To meet annually upon the election of the newest commander at Theta Kappa to welcome the new commander, convey the wisdom of our experience, our passion for leadership, our willingness to support and mentor him, the need to protect the brand and name of Theta Kappa and Sigma Nu, and the need to make the right yet sometimes very hard and very unpopular decisions for the good of the chapter and fraternity.

Objective: To grow a nucleus of members and servant leaders to the chapter and fraternity that will assist in advising and leading the officers of the Chapter, the Theta Kappa collegiate & alumni chapters, the Theta Kappa House Corporation, and the Theta Kappa Alumni Advisory Board for years to come.

Points of reflections to pass onto our newest Eminent Commander:

1. Reflect on the challenges and forward movement of the chapter while you lead Theta Kappa to provide insight and perspective on making the right decision and the positive outcome it lead to.
2. Reflect on another collegiate brother who supported and assist you in your role as commander and the positive direction of the chapter.
3. Reflect on another collegiate brother who supported and assist you in your role as commander and the positive direction of the chapter.
4. Reflect on the experience and impact being commander made on your brotherhood experience, your family, and your career.
5. Reflect on your willingness to mentor and shape our newest leader to avoid past mistakes many of us made, develop a positive leadership ethic, and to sustain the future of the collegiate chapter and our alumni.

Some considerations for future events:

1. The next commander will be named in late November/early December to serve Dec. 2014 to Dec. 2015. The planned date for our next dinner is:
 - Sat., Jan. 17, 2015 (MLK Weekend)
 - 2016: Sat., Jan. 16, 2016; 2017: Sat., Jan. 14, 2017
2. Lt. Commanders? Spouses? A parallel spouse event? Another night of the week? Another venue? Is the price too steep? Another city? Speaker? Homework? How do we increase the value to the group and honoree?

LEAD – Looking for facilitators • Consider volunteering!

Sigma Nu's groundbreaking LEAD Program replaces the "pledge (candidate) program" and provides for the ongoing development of our members. LEAD stands for Leadership, Ethics, Achievement, & Development and it is the cornerstone of our go-forward member development strategy, but to be truly successful and meaningful to our members we need alumni and outside facilitators! *We need YOUR help here!* Many alumni have already volunteered, but we need more and it is an ongoing need – please consider and discuss this opportunity with us!

AAB – Advisors – Mentors • Looking for Volunteers!

In 2008, the Theta Kappa Chapter implemented the **Alumni Advisory Board** concept for advisement of chapters, which is a strategic imperative for Sigma Nu and the go-forward strategy. This is a departure from the traditional single "chapter advisor" role – in fact all of the board members serve as a "chapter advisor" of their area. The concept reduces the time required on an individual advisor and allows the advisor to focus on an area of their greatest interest, but it also enhances the impact of the advisement to the chapter by specializing.

Another method of assisting the young men of the chapter is through mentoring. The Chapter has established the **Alumni Mentor** program, also known as the Alumni Big Brother program, based on a highly successful program at the Mu (UGA) Chapter. The concept is to match alumni brothers with collegiate brothers and candidates with similar majors, industries/careers of interest, and geography (when possible) to provide a richer advisement to the young men in their career and life interests. The additional benefit is to further connect collegiate and alumni members together to strengthen the long-term chapter ties. Mentoring can take shape in many ways including email and telephone calls, but it does require a level of commitment and consistency to be effective.
